

LEARN TO SWING DANCE

**Get more exercise,
meet friendly people,
and have lots of fun!**

We'll teach you – FREE!

We are a not-for-profit all-volunteer community group dedicated to having fun swing dancing and teaching others to swing dance! Our group is open to people of all ages, typically 18 - 80!

Once a month we hold a "Second Saturday Swing Dance" in the evening with generous assistance from local dance studios in Lexington (usually at Kentucky DanceSport), for \$5 which goes to the studio to cover refreshments and studio rental. Singles and couples are welcome. We teach a free beginner lesson at the start of every dance!
